ABOUT ME

I am an aspiring & Certified Full Stack Web Developer from Odin School with a strong foundation in software development, seeking to re-enter the tech industry after a career gap dedicated to family responsibilities. During this period, I continuously updated skills through online courses and personal projects to stay current with industry trends and technologies. I am eager to contribute to innovative projects and develop scalable solutions in a dynamic development environment.

EXPERIENCE

ANDROID TRAINEE/FALGEE SOFTWARE PVT.LTD MAY2016-M1Y2017

• Designing UI as per client requirement.
• Writing clean and efficient codes for android applications.
• Monitoring the performance of live apps and working on optimizing them at the code level.
• Identifying and resolving bottlenecks, rectifying bugs and enhancing application performance.

CRM EXECUTIVE/GLOBAL ELECTRONICS FEB2013-FEB2014

• Handled customer relationship management and customer success roles, including post sales customer ownership.
• Handled primary market research and digital marketing campaigns using Zoho suite.
• Handling IT enterprise administration.
